

Welcome to: Firestone's Fitness Advantage

Since 1965, Firestone Financial has provided creative financing solutions for the purchase of income generating equipment nationwide. As a direct lender, we have helped our customers acquire billions of dollars worth of assets.

Our focus is on cultivating long term relationships in the fitness, coin-op, amusement, vending, carnival, and gaming industries. By combining in depth industry knowledge with innovative finance programs and personal service we have become a leader in the markets we serve.

Why Firestone Financial?

- No prepayment penalty
- Rate is disclosed, no hidden costs
- Own the equipment, no end of lease negotiations
- Terms up to 60 months
- Competitive interest rates
- Deferred, Interest Only, and Seasonal payment options available

Better terms than a leasing company, more flexible than a bank!

Not Just Fitness Equipment

Whether you are looking to update an existing club, open a single location, or multiple clubs, we can help.

We can also finance:

Lockers
Tanning Beds
Flooring
Signage
and more...
